•306 [172] Art Industry. Archeological finds have produced evidence of the artistic abilities of the ancient Finns. Peices of woven material, various trinkets and tools show interesting forms and decorative patterns. Lately, a special handicraft industry has been established to study and to reproduce old jewelry and other articles, and these so-called "Kalevala-trinkets" have become very popular among Finnish women.

531 [322] The Finnish men, especially in western Finland, have been skillful in carving and making decorative furniture. Certain parts of the country have excelled in special skills; for example, in Ostrobothnia there existed a long
